REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322

Sir:

In the matter of U.S. Patent No. 7,010,060 B2, issued March 7, 2006, a comparison of same against the files of the attorney of record indicates that the errors described in the attached Form PTO 44 were made by the Applicants in good faith.

More specifically, the following errors that were made by the Applicants, and corrected in Form PTO 44 attached hereto, are of a clerical nature, the mistakes having occurred in good faith:

In Column 1, line 15, please delete "N00014-02-J-1822" and insert – N00014-92-J-1822 --, therefore.

Since the typographical errors of Column 1, line 15, are of a clerical nature, and the mistakes occurred in good faith, Applicants respectfully request a Certificate of Correction.

REMARKS

Under 35 U.S.C. § 255, whenever a mistake of a clerical or typographical nature, or of minor character, which was not the fault of the Office, appears in a patent, and a showing has been made that such mistake occurred in good faith, the Director may, upon payment of the required fee, issue a certificate of correction, if the correction does not involve such changes in the patent as would constitute new matter or would require examination. Applicants inadvertently made typographical errors as listed above in Column 1, line 15. The errors were unintentional and made in good faith. Furthermore, it is clear that the corrections do not amount to a change in the patent that would constitute new matter or would require a search or re-examination.

Because Applicants made these errors, Applicants hereby authorize the Director of the U.S. Patent and Trademark Office to charge the fee of \$100 and any and all additional fees or to credit any overpayments to our Deposit Account No. 03-2410 (Order No. 10845-150).

The following information is presented in the event that there are any further questions remaining: DAVID W. GOMES (617) 345-3000.

Respectfully submitted,
Brent M. Ledvina et al., Applicants
